GOLF TOURNAMENT & CYCLOTHON 2021

Dear friend of Sun Youth,

Summer is upon us! As all golfers and cyclists know, summer means it is time to go play outside. Here at Sun Youth, summer means preparing for the 17th Annual Sun Youth Mordy Gordon Golf Tournament, which is back this year after the hiatus caused by COVID-19. We are also very excited to announce the return of our Cyclothon for the fourth edition of this event, alongside our annual golf tournament. Since 2004, we have raised more than \$1,000,000 for our youth programs through these events.

Sports at Sun Youth are a real tradition that dates back to the beginnings of the organization in 1954. Over the years, many young people who have been members of Sun Youth have been able to pursue their sporting dreams at the college, university and professional levels. This is the case for Joshua Bailey, who will graduate this year from the University of Ottawa after pursuing his athletic career with the Gee-Gees football team. Joshua was the first recipient of the Earl De La Perralle Scholarship created in honour of the Sun Youth co-founder, who sadly passed away in 2018.

We would be happy to welcome you to this 17th edition of the Mordy Gordon Golf Tournament, which will take place on Thursday, August 12, 2021, at the Elm Ridge Country Club. Your registration as a golfer or cyclist will allow you to receive a small breakfast before the event, finger foods and access to an open bar after the event, as well as snacks and amenities over the course of the day. If golfing or biking with us is not possible, please help us by making a financial contribution, sponsoring the event or donating gifts. Depending on their value, all gifts donated are either used in our online auction or given as door prizes.

On behalf of Sun Youth Organization, the Golf Committee and the Cyclothon Committee, I thank you in advance for your consideration of this important endeavour,

Tony De Francesco

Director of Community Service
