THE SUN YOUTH HORNETS END THEIR SEASON WITH A BANG!

On Saturday, November 9th, the Sun Youth Hornets Midget football team was taking on the North Shore Mustangs with both teams trying to get their hands on the Doug Britton Cup, given to the champions of the Quebec Midget Football League's Bruno Heppell Division. The Hornets came in after a perfect season of 9 wins and no loss and were determined to have the upper hand on their North Shore counterparts. The championship game was taking place at Stade Hébert in St-Léonard in front of enthusiastic fans of both teams. After being dominated for most of the game (the Hornets leading 14-0 at the end of the third quarter), the Mustangs came back in the fourth quarter but it was too little, too late. The Hornets won the game 17-14 and were crowned champions of the Doug Britton Cup for the second consecutive year.

Two Sun Youth Hornets were awarded with the Most Valuable Player trophy, as determined by the Quebec Midget Football League (QMFL). #51 Kevin Kifungo was recognized as the MVP for the offensive line while #3 Marcus Mitchell was identified as the overall MVP, despite suffering an injury late in the game. Not all Hornets teams had the chance to make it to the finals, let alone winning their division's championship. Whatever their results were, the end result was positive, the young athletes getting a chance to play their favourite sport and to be part of a team that is like family: the Sun Youth Hornets! Congratulations to all!
